

Margy Sargent & Dylan Lee– co-officials chair nominees

Margy joined the swimming community in 2008, when her daughters' team needed officials. Dylan began his officiating journey in the fall of 2015 and has even spread his love of officiating to his daughter who serves as an athlete rep on the Officials Committee.

Since becoming officials, they have both trained to work in all officiating positions in the LSC and have worked at countless LSC meets, serving as Meet Refs for many clubs. Additionally, they have worked at most LSC Championship meets, including serving on the assigned teams for many of those championships and as Meet Referees for a number of Age Group Championships. Both Margy and Dylan have trained to become certified at the National level. Dylan currently holds certification at the national level as a Stroke & Turn judge and Margy holds certifications as an N3 Referee, Starter, Chief Judge and Stroke & Turn official.

Outside of the LSC, Margy has worked at Zone, Sectional, Super Sectional, Futures, Junior National, TYR Pro-Swim and National Championship meets and Dylan has been part of the officiating team at the ISCA meet in FL. Those meets have given Margy and Dylan the opportunity to learn from experienced officials and bring home new knowledge to help our CT officials and athletes be prepared as they venture out of the LSC to higher level meets.

As a member of the Officials Committee, Margy has been the coordinator for multiple OQMs in CT, providing our officials the chance to expand their knowledge and skills, and served as the policy liaison for our LSC. Dylan currently serves as the Secretary for the officials committee and has worked tirelessly to help officials navigate a very confusing system as the changeover to our new version of OTS has taken place. Dylan is also one of the instructors, facilitating the process of people beginning or advancing their officiating journey. Additionally, Margy serves on the Technical Planning Committee and the Senior Committee for our LSC and Dylan serves on the Age Group Committee. Margy & Dylan look forward to working together to support the growth of our officials in order to provide the best possible meets for our athletes.
