ANNOUNCEMENTS

OLD BUSINESS

- None at this time.

NEW BUSINESS

1. Travel Assistance for 2018 was discussed and tabled to be reevaluated at the next Senior Committee meeting.
2. Discussed April Elite Training Camp. Set the parameters that the top 12 CT swimmers would be invited, with the possible expansion to top 16 in the event that the camp did not fill. We are still waiting for confirmation from the OTC regarding our requested trip date of April 11th – April 17th. The date was selected based on the school break calendar and a Wednesday to Tuesday camp was because not every school district was on the same schedule. Coach selection will be discussed at a later meeting.
3. Short Course Championships – Date set for March 8-12th.
 - Reviewed qualifying times against the number of entries at the 2017 SC meet and it was decided that the QT's did not need to be adjusted for the 2018 meet.
 - Reviewed the order of events of the 2017 SC meet and it was decided to adjust the events in order to provide better symmetry with session time lines. We also evaluated the starting times of the sessions, in particularly the preliminary sessions, and based on the length of the previous years meet it was decided to start 30 minutes later. We felt this adjustment did not hamper the amount of rest the finalist would receive in between sessions and provided for more rest at night. Daylight savings time was addressed as well and the later start was felt to cushion that time change a bit.
 - Discussion was held pertaining to the distance session on Sunday reflecting a National Meet format. It was agreed to keep the same format as the previous year to better expose swimmers and coaches to the National format.
 - Scratches will be due the night before, in familiar format with the National format as well.
 - MOTION: To accept the proposed 2018 SC Senior Championships qualifying times, order of events and meet announcement.
 - PASSED 6-0-0
4. Set Long Course Senior Meet Dates:
 - Conversation was held about the best dates for the LC Senior Championships based on the USA National Championship meet. It was proposed to hold our SR Championship meets at Wesleyan July 12-15th, 2018.
 - MOTION: To hold CT Senior Championships July 12th – 15th, 2018 at Wesleyan University.
 - PASSED: 6-0-0
5. Paying or Reimbursing Computer Operators at Senior Championship Meets: Discussion on the previous topic ran long and this agenda item was not discussed.

Adjourned: 9:09 PM

Respectfully Submitted by Jason Paige
