**Old Business**

**New Business**

Administrative Official - With the adoption of the new USA Swimming Administrative Official certification - the PD committee will consider whether clubs submitting bids for meets need to provide the name of an Administrative Official in the bid process, like they do now for a Referee and Starter.

Short Course Championship Schedule - Review available dates

Equipment Manager role - consider formalizing a role that would coordinate the CSI equipment and supplies necessary to conduct the championship meets. (see email attached)

Championship meet fees - should the championship entry fees be consistent across all championship meets? I think it would be easier for both clubs and for the office staff.
