

You may have noticed a new item on Deck Pass for Concussion Protocol Training. In many cases, it probably says “not met” (see below). Don’t panic. The training is only required for interscholastic sports in Connecticut, but some states do require it for coaches and officials. It has been added to deck pass for those states that do require it so it can be tracked.

USA Swimming is in the process of fixing Deck Pass so that it will show CONCUSSION PROTOCOL TRAINING (Not required in all states). Met and Not Met will appear in black, not red.
